“ Mica was my aunt. I remember visiting her in California when I was in elementary school. She was so friendly and welcoming. She would always send me Christmas and birthday presents with long handwritten notes. I remember wishing I could have her super cool handwriting and trying to copy it. Haha. I am so sorry to hear of Mica's passing. I know how much she loved Amy and her family, and I am sure she will be watching over them still. My condolences to Amy and her family. Sending love and hugs!

“ Mica is my cousin, and I first saw her when she was about 2 years old. Her father, John, brought Mica and Pat out here from Ok. They were at our house at last one week-end a month, from the bay area. Mica would stay with us during the summer for a few weeks, and I would go visit her and Pat during the summer, while they lived on the San Quentin Prison grounds. Pat was a nurse at the prison there. Mica went on dates with Richard and I. We enjoyed having her along. HA!HA!HA! We saw each other a lot when Mike, Mica, and Amy lived up the hill. I have a lot of feeling good about Mica. She was a great lady, and especially a great mom to Amy. She was loved, and now, she is resting in peace, with Mike. May God take her in his arms, and have a special angel.
My love to you, Mica.

Forever your cousin, Barbara
